MICHAEL WILLIAMS

CREATIVE EXPRESSION, RESEARCH AND PUBLICATION

TRIBAL HEALTH COMMUNICATIONS

The Native Health News Alliance was formed to aggregate professional coverage of issues of relevance to communities served by tribal media. Supported by grants from tribal organizations and the state, NHNA shares this aggregated material among members of the alliance. 2012 - 2013

- Member of founding board of directors
- Design coordinator, <http://nativehealthnews.com>
- Design revisions, <http://wellboundstorytellers.com>

CENTER FOR EXCELLENCE IN HEALTH COMMUNICATION TO UNDERSERVED POPULATIONS

The Center for Excellence in Health Communication to Underserved Populations was created to promote dedicated student training as well as collaborative research and service to the community to address health disparities in the state of Kansas and abroad. 2012 - present

- Advisory responsibilities related to technology development and assessment

INNOVATION AND DEVELOPMENT

Startup projects based on research and development produced by the KU Media Innovation Lab.

- AverShield - a network security technology confirming the integrity of hardware systems and digital content delivery using dual level autonomous authentication allowing for source privacy. Spring 2015
- SimpleHelp.us - Micro-philanthropy mobile web application to provide opportunities to prospective donors and volunteers. Spring 2014
- HealthHelp - Mobile application providing health resources to first-year university students. Fall 2013, beta.
- TAB - The Authorized Brief - Product design and interactive technology development. In beta, Summer 2013, Pivoted 2014.
- Virtual Town Hall - Civic participation application to allow citizen input and media oversight of local government meetings and operations. Fall 2012

MEDIA AND DEMOCRACY IN RUSSIA

Following the collapse of the Soviet Union, I worked with the Russian Press Institute in Moscow and Ural State University in Yekaterinburg, to help the newly independent press in Russia expand their contributions to democratic society.

Supported by USAID and IREX, significant accomplishments of this work included:

- Supervision and outcome analysis of a newspaper restructuring project in Rostov-on-Don. 1999
- Pioneering work on a news web site (www.krestianin.ru) associated with the Rostov newspaper. 1999
- Supervision and outcome analysis of a newspaper restructuring project in the Kaliningrad. 1999
- Planning and teaching a week-long educational workshop (InfoGraphica99) for professional media artists, Moscow. 1999
- Founding and publishing ФАКC, a Russian-language trade journal for media professionals. Project funded by USAID. 1997 - 1998
- Only American speaker invited to present at a national conference on the independent press in Russia. Moscow, November 1998

MULTIMEDIA DEVELOPMENT

- Resurrection of community media in a rural Kansas town. Fairview Enterprise. Spring 2015
- Immersive interactive site for Humboldt Digital Library. Focus on environmental work of Frederic Edwin Church. Work coordinated with Max Kade Center and Technical University of Offenburg. March. 2014 - present
- Website reorganization and redesign within new university requirements, KU Information and Telecommunication Technology Center. Summer 2013
- Military-Media Issues - <http://military-media.kuinteractive.com>, online journal. Site developer and editorial board member. April 2010 - present
- Snowgoosealaska.com - Southeast Alaska Wildlife Cruises, commercial charter company. 2007
- Awazcommunications.com - Site for communication and production company in Kabul, Afghanistan. 2007
- Dairy Barn.org - Southeastern Ohio Cultural Arts Center exhibition of regional and national artwork. 2006
- Ohio University Emeritus Association - Informational web site for emeritus professors. 2004
- dawn2dusk.org - Site for exhibition of collective still, video and interactive work of annual school project of School of Visual Communication. 2003, 2004, 2005
- Quilted-Visions.com - Web site for quilt artist and textile designer. 2004
- EditTeach.org - Instructional web site for continuing education in the skills of copy editing. 2002
- Trains.com - Converged media website for readers of Kalmbach Publications. Initial interface designer. 2000
